SUMMARY

Chemist with an MSc in "Food Quality and Chemistry of Natural Products" from CIHEAM MAICh, having a multidisciplinary understanding across Analytical Chemistry, Quality Assurance, Secondary Metabolites, and Food Science. Excellent communicator, composed team-player keen to learn and develop.

WORK EXPERIENCE

QC Analyst | QC Department, Hellenic Pasteur Institute (Vaccine Unit)

FEBRUARY 2022 – TODAY

- Physicochemical and microbiological analysis of vaccines and pharmaceutical products.

QC Officer | Nutree

MAY 2021 – JANUARY 2022

- Ensuring quality of the finished products (oversee production process, perform quality checks of raw materials, packaging materials, and finished products).
- Responsible for HACCP implementation and SOPs revision.

QA Assistant | Rolco Vianil S.A.

JUNE 2020 – APRIL 2021

- Curating the implementation of Quality Management Systems (perform internal audits, manage incident reports).
- European Poison Centre Notification (EU PCN) submissions / Registration of products to the National Register of Chemical Products of the General Chemical State Laboratory.

Packaging Technologist & Quality Control | Rolco Vianil S.A.

JANUARY 2019 – MAY 2020

- Verifying that packaging materials meet set requirements and specifications.
- Conducting quality control at the packaging line.
- Manage packaging material defects and quality problems – Liaise with suppliers.

EDUCATION

Master of Science: Food Quality and Chemistry of Natural Products |

Mediterranean Agronomic Institute of Chania (CIHEAM MAICH)

2016 – 2018

Two-year English-taught, multidisciplinary master's program including 16 modules.

- **Main Modules:** Analytical Chemistry, Quality Management Systems (ISO 9001, ISO 22000, ISO 17025), Chemistry of Secondary Metabolites, Food Science, Modern Instrumentation Methods & Techniques
- **Thesis:** "Kinetic modeling of the effect of L-ascorbic acid on the Cu(II)-induced oxidation of Quercetin."

Bachelor of Science: Chemistry | National and Kapodistrian University of Athens

(NKUA)

2008 – 2015

- **Main Modules:** Analytical, Inorganic, Organic, and Physical Chemistry, Biochemistry, Quality Assurance (ISO 9001, ISO 17025)
- **Thesis:** "Determination of Copper and Zinc concentrations in a sediment core, originated in an area of the Euboean Gulf affected by fish farms."

TRAINING COURSES

Certifications

- Scientific / Technical Food and Beverage Business Operators (Association of Greek Chemists / UNICERT, Oct-Nov 2021)
- Quality Management Systems Auditor / Lead Auditor ISO 9001:2015 (UNIPI E-learning / TUV Austria Academy, Jan-Apr 2021)

Seminars

- ISO 22716:2007 Good Manufacturing Practice (GMP) for cosmetic products (Association of Greek Chemists, 14h, June 2018)
- Cosmetology: Cosmetics Production using Natural Resources and Pharmaceutical Plants (NKUA E-learning, Feb.-June 2015)

LANGUAGES

- **English:** Very good, Cambridge Certificate of Proficiency in English (CPE)
- **German:** Intermediate level, Zertifikat Deutsch – Goethe Institut (ZD)

SKILLS

- Microsoft Certified Application Computer Specialist (Word, Excel, PowerPoint, Outlook & Access)

VOLUNTEERING

TEDxChania | Workshops & Performances Coordinator

2016 – 2019
